

New INDIGO Partnership Programmes

This event is co-financed by the European Commission through the involvement of several projects.

A joint event organized by

Hosted by National Geophysical Research Institute (NGRI- CSIR).

From Networking Pilot Programme to New INDIGO Partnership Programme

▪NPP1 and NPP2 (2010-2011)

- Networking projects
- 2+1 minimum
- Public research
- mobility, workshops and 10% flexibility (national rules)
- 10 to 15 projects
- 50 000€ / 2 years / country / project

▪NPP3 (2012)

- Research projects
- 2+1 minimum
- Public research + SME
- mobility, workshops, research, equipment, (personnel : national rules)
- About 5 projects
- ~150 000€ / project/ country

This event is co-financed by the European Commission through the involvement of several projects.

A joint event organized by

Hosted by National Geophysical Research Institute (NGRI- CSIR).

NPP call 2010 (DBT)

- **Biotechnology and health**
 - Biomarkers and diagnostics
 - Bioinformatics for health
 - Structural biology for health
- **13 projects selected**
- **From Austria, France, Germany, India, the Netherlands, Portugal, Spain**
 - + other European countries if funding is secured

This event is co-financed by the European Commission through the involvement of several projects.

A joint event organized by

Hosted by National Geophysical Research Institute (NGRI- CSIR).

NPP call 2011(DST)

- **Water Related Research**
 - Waste Water Management including applications in Industry and Agriculture
 - Green Chemistry applied to Water Purification including Drinking Water Purification
- **9 projects selected**
- **From Belgium (Flanders), Finland, France, Germany, India, the Netherlands, Spain**
 - + other European countries if funding is secured

This event is co-financed by the European Commission through the involvement of several projects.

A joint event organized by

Hosted by National Geophysical Research Institute (NGRI- CSIR).

NPP call 2012 (DBT)

- **Biotechnology applied to Human Health**
- **September 2012: Scientific Council and Programme Funding Committee**
- **29 full proposals; ~ 10 selected for funding**
- **From Austria, France, Germany, Israel, Norway, Portugal, Spain, Turkey**
 - + other European countries if funding is secured

This event is co-financed by the European Commission through the involvement of several projects.

A joint event organized by

Hosted by National Geophysical Research Institute (NGRI- CSIR).

NPP call 2013 (DST)

- Energy and Transport and thematic interlinking ICT/Transport/ Energy
- Research Projects
- From 5 to 6 European Funding Agencies
- Publication of the Call February 2013

This event is co-financed by the European Commission through the involvement of several projects.

A joint event organized by

Hosted by National Geophysical Research Institute (NGRI- CSIR).

NPP Procedure

- www.newindigo.eu/npp
- On-line two-step submission
- Joint EU-India evaluation and selection
- Projects start 9~10 months after call publication
- Joint monitoring / support
- External evaluation of processes

This event is co-financed by the European Commission through the involvement of several projects.

A joint event organized by

Hosted by National Geophysical Research Institute (NGRI- CSIR).

Thank you for your attention !
